**FOURTH ORDER OF BUSINESS**

**Discussion of Fiscal Year 2019 Budget**

Mr. Flint: You approved the proposed budget last month to meet the June 15<sup>th</sup> deadline, but we intended to come back with some suggested revisions to the proposed budget. However, there are discussions going on in Reunion East between the bondholders and LRA and as a result they have asked that the discussion on that one be deferred and because that is being deferred it impacts Reunion West also. We don't have any item or back-up on Reunion West for discussion at this point. We will have to do this in July because you run out of noticing time and the likelihood is because of the additional platted lots and the ratio between East and West there may be a need to potentially increase the per unit amount in West.

**FIFTH ORDER OF BUSINESS**

**Staff Reports**

**A. Attorney**

There being none, the next item followed.

**B. Engineer**

There being none, the next item followed.

**C. Manager**

**i. Action Items List**

Mr. Flint: Mr. Boyd is continuing to work with the contractor and County on the signalization. Alan can give an update on the neighborhood monuments.

Mr. Scheerer: Mr. Greenstein and I met after the last meeting, we went through the different locations that we are proposing to place monuments. We purchased some survey stakes and flagging tape and staked those in the proper locations. There are a few gas line easements in those vicinities so we are trying to get the okay from the gas company. I didn't bring those for Andrew today, but I did print off the Property Appraiser's website because some of those locations are going to be easements on the golf course. We are waiting to get the final from the gas company first then Mr. Greenstein said there is a meeting of the Master HOA later this month and he has provided me the information for that meeting to get the rest of the funding, the Board approved a not to exceed amount of \$90,000 and that is to be paid by the Master.

Mr. Chiste: You mentioned signalization. I notice the emergency signal had no problem getting up really quick in front of the fire station.

Mr. Greenstein: I think they pulled cable and it is a question of them getting the arms and doing the install.

Mr. Scheerer: They were working on all the electrical boxes over the last few weeks and it looks like they were running wiring to the control panel boxes.

**ii. Approval of Check Register**

On MOTION by Mr. Greenstein seconded by Mr. Chiste with all in favor the check register in the amount of \$112,198.55 was approved.

**iii. Balance Sheet and Income Statement**

A copy of the balance sheet and income statement were included in the agenda package. There was no Board action necessary.

**iv. Status of Direct Bill Assessments**

Mr. Flint: We did have communication as late as yesterday with the HOA and they indicated the payments are in process.

**SIXTH ORDER OF BUSINESS**

**Other Business**

There being none, the next item followed.

**SEVENTH ORDER OF BUSINESS**

**Supervisors Requests**

There being none, the next item followed.

**EIGHTH ORDER OF BUSINESS**

**Next Meeting Date**

Mr. Flint: We should plan for the July 12<sup>th</sup> meeting because we will likely need to amend the proposed budget in enough time to do the mailed notice if we have to. The meeting after that would be the public hearing in August, which is August 9<sup>th</sup>.

Mr. Greenstein: Do you have the timeframe for buildout of DeBartolo's apartments?

Mr. Chiste: We have all the approvals with the exact footprint that we did over in Margaritaville. It is about an 18-month cycle and we are pretty early in the pre-leasing.

On MOTION by Mr. Chiste seconded by Mr. Greenstein with all in favor the meeting adjourned at 12:38 p.m.
