*****CDD Amenity Use Guidelines During COVID-19 Pandemic*****

October 1, 2020

As many residents are aware, on September 25, 2020, Governor DeSantis issued Executive Order (“EO”) 20-244 moving Florida into Phase 3 of the Plan for Florida’s Recovery. This phase of recovery has an impact on District amenity operations for Reunion East and Reunion West Community Development Districts (collectively the “CDDs”).

During the COVID-19 pandemic, amenity visitors will see health guidelines posted at entrances reminding everyone to stay home if you are sick, stay 6’ away from those outside of your household, follow hygiene protocols such as covering sneezes and coughs, and to self-sanitize before and after using equipment.

With the continued COVID-19 situation in Florida, please be mindful of guidelines for the CDDs’ amenities that have been compiled with recommendations from the Centers for Disease Control (CDC), Florida Department of Health (FDH), and local and state governments. Compliance with the guidelines is critical to ensure continued access to these open amenities:

Carriage Point Pool	Heritage Crossings Pools
Homestead Pool	Seven Eagles Fitness Center
Seven Eagles Pool	The Terraces Pool
Dog Park	Playground

Prior to Using the Amenities:

- Residents who are sick with COVID-19, were recently exposed (within 14 days) to someone with COVID-19, or just don’t feel well, should not use the amenities.
- Residents who are elderly or have serious health issues should seek direction from their doctor prior to using public spaces during the coronavirus pandemic.

When using the Amenities:

- Pools, Spas (please note Spas are open effective Saturday, October 3) and the Seven Eagles Fitness Center are open 8 am to 11 pm.
- District Pools, Seven Eagles, and the Pet Play Park are open and now have access control locks installed. Contact District staff if you need further information about acquiring an access card.
- Pool chairs and loungers are available on a first come, first served basis. Residents are not permitted to bring personal chairs or loungers.
- Water fountains are closed at this time.
- Residents are encouraged to bring personal sanitizer, personal sanitizing wipes, and personal towels to place on chairs to avoid touching community surfaces. District surfaces and equipment should be self-sanitized before use. Towels and other linens used at community recreational facilities should not be shaken out near others.
- All other amenity use policies (posted at ReunionEastCDD.com) remain in effect.

In Case of Infection with COVID-19:

- Any resident or guest who uses the CDDs amenities within 7 days of being diagnosed with COVID-19 is asked to please contact Tricia Adams, Assistant District Manager at tadams@gmscfl.com or 407-841-5524 extension 138 (office) or 863-241-8050 (cell/text) so that the amenity can be closed for sanitization and residents can be notified of the possible contamination.
