Subject: Updated Parking & Towing Rules – Please Read

Dear Reunion Residents and Guests,

We would like to inform you that the Reunion West Community Development District (CDD) has recently amended its **Parking and Towing Rules**. These rules are now in effect, and **all residents and guests are encouraged to review and comply** with them to avoid any inconvenience.

Key Reminders:

- **Improperly parked vehicles are subject to towing at the owner's expense.**
- **Abandoned or inoperable vehicles** (e.g., broken down or not moved for five consecutive days) **are not allowed** on public streets and may be **towed immediately**.
- Detailed rules, along with **maps of no-parking areas**, are available at www.ReunionWestCDD.com.

Be a Good Neighbor:

We also encourage all residents to be mindful of street parking limitations and to **prioritize the use of garages and driveways** when possible. This small action contributes to:

- **Improved safety and access**
- **A more attractive neighborhood**
- **A spirit of cooperation and respect among neighbors**

When we all do our part, we help create a more pleasant and functional community for everyone.

If you have any questions or need assistance regarding the CDDs, please contact me directly:
